

The Easy Reach brings your **factory** seat down & outside your vehicle for a safe and easy transfer to your wheelchair.

Simply press a button and ride up and into your vehicle for a smooth, comfortable ride, in your vehicle's original seat.

Features:

- Easy-Reach *always* retains your factory seat!
- Airbags, seatbelts, sensors, & other important safety features are *fully functional*
- Power seat functions are retained on most makes and models
- Factory seat reclines normally
